

Dave Hockey

(AND FAMILY AND STAFF)
WISH YOU A MERRY XMAS
and a HAPPY NEW YEAR

* Motto for 1981: We **will** get stuck in to work — we **will** show the world that Drake, Nelson and Churchill didn't strive in vain — we **will** remember the old RAF war-cry "Nil Bastardo Carborundum" — let them burn their oil — we'll cycle to work!

* We go into 1981 with the mixture as before — a 6 1/2-day week, 6.30 pm — 7.30 pm cheap phone order service, shop, mail order or trade van sales, no fantastic discounts, fairytale stories, or impossible delivery times. We shall continue to supply and support our customers at fair terms in the hope that both parties can remain solvent!

* We sell — karts, motors, spares, accessories and clothing by most leading manufacturers. Our workshops can handle most engine re-conditioning work and modifications to order, plus general chassis repairs short of re-jigging.
