

**The U.K. Importers of  
Dino racing  
equipment are  
delighted to  
announce the  
successful  
homologation into  
the Britain and  
National classes,  
from the 1st January  
1992, of the engine  
which has already  
won the Junior World  
and numerous  
National  
Championships in  
1991.**

**Thanks to everyone who made the International Kart Show such a success, and congratulations to several lucky competitors who snapped up Dino 500 reed motors at a saving of £100 off the new list price. They got a bargain but you can still own the fastest engines for the money by calling us now.**

**THE DINO 500 REED IS AVAILABLE  
ONLY FROM US IN BOTH STANDARD  
AND FACTORY PREPARED FORM**
