

Yam man Stefan Hodgetts keeps Dragon sweet

Shenington held its September club meeting on the 24th, a week later than usual to avoid the World Championships, but then ran into a clash of dates with both the final round of the Senior Super One and the Super 4. Nevertheless there was a goodly mixture of Juniors entered to practice for the following week's Junior Super One, some leaving with very mixed fortunes. Meanwhile negotiations on noise still continue with the local council, the club intending to fight to the bitter end to save the track. Next year's programme will follow very closely to this year, starting on the 18th February. Our dinner dance will be on the 27th January.
