

British Historic Kart Club

Calendar 2022

British Historic Kart Club

Preserving Karting Heritage

Please note that this calendar is still very provisional at the moment. It's taking longer to confirm events for this year due to the covid situation. We will have a more up to date calendar available as soon as possible.

As well as the events shown we expect to be invited to a number of track days spread throughout the year similar to the Rissington and Whilton Mill practice days during last year. We are awaiting dates for these from the host circuits.
