**1985 BRITISH CHAMPIONS**

The new Gillard International CIK-02 kart features several major technical improvements as well as numerous detailed design improvements.

The new Gillard magnesium mono wheels are fitted as standard, and the kart can be supplied with either a 30mm or 35mm rear axle.

Gillard bodywork is now available. This new concept in Class 1 bodywork has been developed using Computer Aided Design and wind tunnel tested by one of the leading Formula 1 teams.

**GILLARD INTERNATIONAL  
CIK-02**
